Dear Mr. Smith:

I appreciate your granting Chevron U.S.A. Inc. an extension of time in which to answer your request for information for the subject site; you set the new response deadline at June 3, 1988, but advised that you would call me if there were a need to move quickly to address conditions at the site before that deadline.

Chevron has conducted a thorough search of our files and a large number of possibly relevant documents have been forwarded to me for review in regard to our response. I will endeavor to complete my review of the documents and forward our response to you by the agreed upon date.

Both you and Mr. Falkin have been understanding in this regard, and I look forward to working with you on this matter.

Sincerely,

*Daniel E. Vineyard*
